Inpatient care (i.e. an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care.

2. Absence Plus Treatment

a. A Period of incapacity of **more than three consecutive calendar days** (including any subsequent treatment or period of incapacity relating to the same condition), that also involves:

1. **Treatment two or more times** by a health-care provider, by a nurse or physician’s assistant under the direct supervision of a health-care provider, or by a provider of health-care services (e.g. physical therapist) under orders of, or on referral by, a health-care provider; or
2. **Treatment** by a health-care provider on **at least one occasion** which results in a **regimen of continuing treatment** under the supervision of the health care provider.

3. Pregnancy

Any period of incapacity due to **pregnancy**, or for **prenatal care**.

4. Chronic Conditions Requiring Treatments

A **chronic condition** which:

1. Requires **periodic visits** for treatment by a health-care provider, or by a nurse or physician’s assistant under direct supervision of a health care provider;
2. Continues over an **extended period of time** (including recurring episodes of a single underlying condition); and
3. May cause **episodic** rather than a continuing period of incapacity (e.g. asthma, diabetes, epilepsy, etc.)

5. Permanent/Long-term

Conditions Requiring Supervision

A period of **incapacity** which is **permanent or long-term** due to a condition for which treatment may not be effective. The employee or family member must be **under the continuing supervision of, but need not be receiving active treatment by, a health-care provider**.

6. Multiple Treatments (Non-Chronic Conditions)

Any period of absence to receive **multiple treatments** (including any period of recovery) by a health-care provider or by a provider of health care services under orders of, or on referral by, a health-care provider, either for **restorative surgery** after an accident or other injury, or for a condition that **would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment**, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), and kidney disease (dialysis).
