Family Handbook 2023

Dear Parents,

Welcome to Brightside Academy! We are honored that you have chosen us to care for your child during this important time in their development.

We understand that choosing a childcare setting is one of the most important decisions you will make as a family. That's why we are committed to providing a safe, nurturing, and interactive environment where your child can learn and grow.

Our program combines state-of-the-art facilities, a well-rounded curriculum, and state-recognized, learning-quality credentials to help each child achieve school readiness and prepare them for lifelong learning.

This handbook provides guidelines to ensure the safety and well-being of all the children in our care. We ask that you please read it carefully. If you have any questions, please do not hesitate to speak with your academy director or contact our corporate headquarters at 216-777-3505.

Sincerely,
Ezra Beren
Chief Executive Officer
